

## Math Assessment Review-Part II

### Important Information about this review package

This review material has been prepared so that you can refresh your math skills prior to writing the assessment. It is not meant to teach new material. Complete what comes back to you with a bit of refresher. If you run into difficulties, it's ~~time to~~ ~~take~~ ~~an~~ ~~appointment~~ ~~for~~ ~~your~~ ~~math~~ ~~assessment~~. You will be provided two options for your math assessment on the [Assessment Centre](#) website; select the option that you feel is the best. If you are unsure which assessment option to choose, contact an assessor by emailing [assessment@camosun.ca](mailto:assessment@camosun.ca) or calling (250) 370-3945 or contact a Student Navigator at (250) 370-3847 and they can assist you with the decision.

Use the links provided in the review material to get help on the questions, and for extra practice. The links connect you with Khan Academy, an established online math learning program. If you wish additional instruction, search using the link title, and you will find many other learning videos. For example, if you search for help with Plac-3 laca-30 Td e10.6 (e)-35.2 (r)3.j -0.0045 ( o)4.f ch-3 la
