Note: A verbal report will be provided for events from October 25 through November 6 due to the publishing timeline of the Board meeting package.

1. Meetings with External Community

On September 25th Geoff Wilmshurst, Marius Langeland and I attended the European Association for International Education (EAIE) Conference in Rotterdam. Following the conference, Marius and I travelled to meet with two of our overseas partners.

Camosun College has been a partner with Palacký University in Olomouc, Czech Republic for over a decade with student and faculty exchanges. The partnership started with student exchanges between Camosun's School of Arts and Science and Palacký's Faculty of Science, and Camosun's Centre for Sport & Exercise Education and Palacký's Faculty of Physical Culture. With a memorandum of understanding in place, we can now engage with all of Palacký's Faculties. Faculty exchanges help bring our institutions and faculty closer through guest lectures, research, knowledge sharing and networking.

Camosun College has been a partner with Fontys University in the Netherlands for the last decade. The partnership has focused on student mobility, collaboration, networking and sharing knowledge on international education. It was an honour to renew the student exchange agreement with Fontys Board Chair Joep Houterman during my recent visit to the university.

BRIEFING NOTE Board of Governors

 DATE: November 6 2023
 TOPIC: Mentimeter Results

For Information:

For Decision:

For Discussion: X

1. OVERVIEW

The Board of Governors conducted a Mentimeter survey at the September 7, 2023, Orientation. The survey asked two questions and the replies were ranked by vote.

- x What do you want to learn more about as a Board member?
- x What do you want to achieve this year as a Board member?

The Board Executive met on October 23 to review the results. They are considering options on the next steps to take on the top four results and themes

The themes identified by the Executive Board are (paraphrased):

1. Developing further understanding about departments and their interconnections and relationships.
2. Developing further understanding of Strategic Enrolment Management, both domestic and international strategies.
3. Establishing a board with equipped with key skills and good practices

A standing line may be added to the Board agenda under New Business called 'Learning About Camosun'. It will cover the requests for information to learn about specific areas. Examples are the relationship with PISE, Camosun Innovate, Registrar's Office /recruitment/ international etc. As an example, one month, the topic could focus on learning about PISE and its history.

Further clarification is needed on one of the top suggestions, "relationships between college departments/initiatives." The college executive is seeking guidance on specific topics the Board is keen to explore.
